

Ref. No. : 2018/0101

Date: 14/11/2018

NOTICE

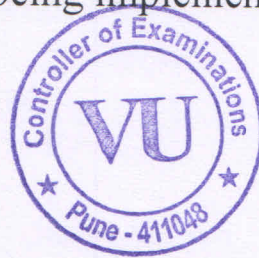

As per the approval of BOS, BOE & Hon. Vice Chancellor, the subject codes for following subjects has been revised as follow:

Old Course Code	Old Course Name	New Course Code	New Course Name
BTECHME307	TTL-Course 3- Product development through solid modeling using Catia	BTECHME314	Product development through solid modeling-I
BTECHME308	TTL-Course 3 Lab- Product development through solid modeling using Catia	BTECHME315	Product development through solid modeling-I Lab
BTECHME410	Product development through solid modeling using Creo	BTECHME414	Product development through solid modeling-II
BTECHME411	Product development through solid modeling using Creo	BTECHME415	Product development through solid modeling-II Lab

This will be reflected in Hall Ticket (Admit Card) and all further exam related activities.

Students of 2017 batch will be appearing for the old subject codes.

These changes are being implemented on immediate basis.
